

Pathways College Preparatory Workshop Series

By NRS Scholarship Foundation

Program for Workshop

(Schedule is subject to changes)

What is it?

The Foundation is looking for seniors and juniors from local high schools in the Cincinnati/Hamilton County area. We are asking the high schools to identify students who are interested in going to college or a vocational program. We are interested in assisting students who need additional support, attention, and motivation to achieve their goals following graduation.

Currently, the Foundation will be hosting three (3) workshops as part of our Pathways series that the students can attend. The Pathway College Preparatory Series is a comprehensive workshop designed specifically for high school seniors and juniors, aimed at equipping them with essential skills and knowledge for a successful transition to college and career. This series covers critical topics such as completing the FAFSA, securing scholarships and grants, and exploring internship opportunities.

Participants will also receive guidance on parental assistance, career readiness, and credit readiness, ensuring they are well-prepared for the financial and academic challenges of higher education. Through interactive sessions and expert-led discussions, students will gain valuable insights and practical tools to navigate their post-secondary pathways effectively. If the students attend at least two (2) workshops they will have a chance to win prizes such as a laptop, iPad, a \$500 voucher towards a college tour registration fee, and \$500 towards dorm room necessities. All attendees will receive an NRS Swag Bag.
